

For over forty-five years, we've been there when our customers needed us most.

For true peace of mind, each SAL Protection Plan is backed by either SAL Marketing Inc., IAP Marketing or Industrial Alliance Pacific General Insurance Corporation, all members of the Industrial Alliance Group of companies.

IAG's strength is demonstrated in its financial ratings from both A.M. Best and Standard & Poor's.

This is a brochure, intended to outline the potential coverage/services offered and does not consist of a binding policy/contract. See your Policy/Contract for specific details.

SAL Protection Plan's peace of mind motoring doesn't end with repair coverage/services.

The benefits below apply to your on-road motorcycle and scooter no matter which Coverage/Services option you choose.

Roadside Assistance

Limited to five payable benefits.

- Battery, Fluid delivery and Towing: up to \$100.

Rental Coverage/Services

- \$50 per day (up to \$250) in rental vehicle coverage in the event of an eligible mechanical breakdown.

Towing for tow vehicle

- A one-time benefit of up to \$100 in the event of an eligible mechanical breakdown of your tow vehicle.

Trip Interruption

- \$100 per day (up to \$300) in lodging and meal expenses in the event of an eligible mechanical breakdown occurring more than 150 Km from your home which results in an overnight repair.

Reducing Deductible

- Return to your selling dealership for an eligible repair and your deductible will be reduced by \$50.

Transferability

- If you choose to sell your vehicle privately, any unused coverage/services will be transferable to the purchaser, increasing the resale value of your investment.

...and your peace of mind

Why purchase a SAL Protection Plan?

It's coverage/ services when you need it most

The frequency of repairs increases with kilometres and time. SAL Protection Plan takes over when your manufacturer's warranty expires.

Warranty Term in km ('000's) & years

The choice is yours

SAL Protection Plan puts you in the driver's seat. Choose the term that's best for you and your driving habits, then choose from two deductible levels: \$50 or \$100.

Coverage of the following components means peace of mind for you and protection for your investment.
