Daimler Truck Financial

Investing in your success.

Protect your investment

We hope it never happens to you. But every year, many vehicles are declared to be total losses in events such as collision, theft or fire. In many cases, the insurance settlement does not cover the balance owing on the loan.

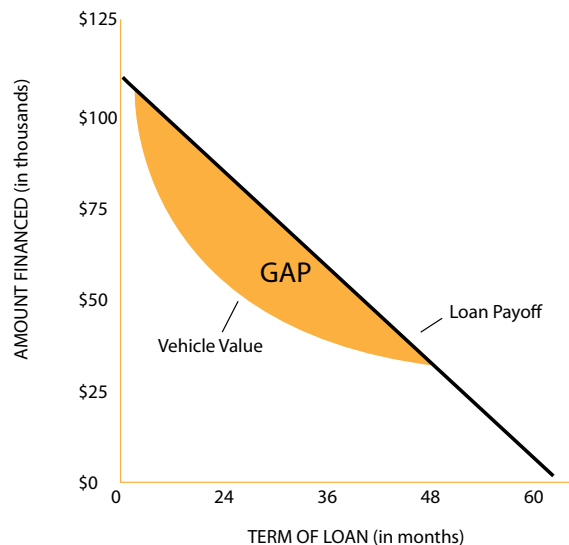

By adding just a few dollars to your monthly payment, Daimler Truck Financial's *Platinum Protection Plan* product will protect your financial investment in the equipment and give you added peace of mind.

Relax. You're covered.

If your truck is declared a total loss in an accident, fire or theft, there can be a significant difference between the amount your Insurer will cover and the balance owed to Daimler Truck Financial. *Platinum Protection Plan* (GAP) will cover the difference, and for just a few extra dollars a month, you can add down payment or deductible coverage.

Consider this Scenario:

Your equipment purchase is \$125,000. Your down payment is \$15,000 and you decide to finance the rest. In the first year, your equipment is a total loss due to an accident. The following scenario illustrates what the gap is and how *Platinum Protection Plan - GAP & Down Payment Protection* can help:

\$ 98 000	Balance owing on loan at time of total loss
+ \$ 15 000	Down Payment (subject to additional premium)
<hr/>	
= \$113 000	
- \$ 90 000	Primary Insurer's settlement
<hr/>	
= \$ 23 000	Your out-of-pocket loss

**With *Platinum Protection Plan*
You would receive
\$23 000**
